

**DATE** February 18, 2026

**REFERENCE** Product Design Change

**PRODUCT** TCOS8 Series Coalescing Oil Separators

A design improvement has been implemented for the elements used on Westermeyer Industries' line of TCOS8 coalescing oil separators. All TCOS8 series oil separators shipped from the factory after 02/27/2026 will have the new filter design installed.

To ensure traceability, a new filter kit part number has been established. The new filter element design will be cross compatible with existing oil separators in the field.

If there are any questions about this change, please contact your sales representative for more details.

## Applicable Models

Catalog Number	Old Filter P/N	New Filter P/N
TCOS8-12	90-058TK	90-358TK
TCOS8-14A	90-058TK	90-358TK
TCOS8-15	90-058TK	90-358TK
TCOS8-16	90-058TK	90-358TK
TCOS8-21	90-058TK	90-358TK
TCOS8-21A	90-058TK	90-358TK
